Mr. Thomas Osborne
Architecture Metals Ltd. Co.
5500 Military Trail #22-220
Jupiter, FL 33458

Dear Tom,

It is with great pleasure that our firm, R. J. Sullivan Corporation, will provide a recommendation for your work and that of Architecture Metals, your new firm.

Our company specializes in the construction of water and wastewater treatment facilities in south Florida and we have used the services of Osborne Consulting and Contracting for one of our larger projects located Palm Beach County. We have been more-than-satisfied with the service and quality of the architectural louvers that were installed.

For assistance with creative design for louvers, railings and other miscellaneous metals, we will continue to count on you. We can highly recommend Architecture Metals for similar services, and would not hesitate to work with your new firm again.

Sincerely,

Will Pulsford
Senior Projects Manager
